

Bleach Test Strips Order Form

Student Nutrition Programs (SNPs) are required to prepare a diluted bleach (chlorine) solution to sanitize and disinfect food preparation surfaces, utensils and objects that will contact food directly. Test Strips are used to measure the strength of the solution to determine if it is appropriate for use. Test Strips are single use, and will need to be purchased every year. SNPs can purchase test strips and additional required items through Dayco Distributing Ltd.

To purchase, please follow the following instructions:

1. Select either Option A or B
2. Complete your site information below,
3. Email the completed form to orders@daycodistributing.ca .
4. You will receive a confirmation email for your order;
5. The package will be shipped to you by Canada Post (Option A) or Canpar (Option B).
6. Once you receive your package and invoice, please send payment (cheque) to:

*Dayco Distributing Ltd.
933 Ritson Road South
Oshawa, ON L1H 0A5*

Please reference invoice number with your payment.

Option A: Test Strips Only

Option B: Sanitizing Kit
