

Student Nutrition Ontario – Toronto (SNO-Toronto) is a collaborative partnership that works together to support Student Nutrition Programs.

The partners are:

621
Sites

822
Programs

More than
200,000
Students served each day

More than **30,000,000** Meals served last year

These meals contribute to:

Improved academic performance

Improved classroom behaviour

Decreased incidences of tardiness

Improved long-term health and nutrition

**Statistics are based on the 2016-17 school year.*
