

Get Involved

Are you interested in volunteering at a local Student Nutrition Program?

Whether it's waking up bright and early to wash and chop fruit, or making a pit stop on the way home from work to pick up bulk purchases of bread and yogurt, volunteers are the heartbeat of student nutrition programs. Our programs would not be possible without the hundreds of volunteers across Toronto who have chosen to be a part of the student nutrition community.

What do Volunteers do?

Each of our programs is unique and each volunteer contributes in a different way. Some common program needs:

- Food preparation (washing, chopping, cooking)
- Distributing food to students
- Cleaning and tidying food preparation and serving areas
- Planning weekly menus
- Tracking of receipts and financial information
- Grocery shopping and food ordering

How do I get involved?

If there is a specific school or program that you are interested in volunteering at, please contact the school directly to speak with the Principal.

If you are interested in volunteering but do not have a specific school in mind, please contact the SNT office:

Yoser Alarashi
SNT Liaison Officer
Tel: 416 394 7253
Email : Yoser.Alarashi@tdsb.on.ca

Please note that all volunteers will be required to complete a Vulnerable Sector Police Check which may take up to 8 weeks to complete. As volunteer opportunities are available dependent on program needs, candidates will only be contacted should a suitable opportunity arise.
