More than 190,000 children and teens participate in Student Nutrition Programs (SNPs) every school day across Toronto. These programs are supported by thousands of volunteers, school staff members, parents, students and community members. Each SNP is a unique reflection of the community and students it serves. Student Nutrition Ontario - Toronto (SNO-Toronto) is a collaborative partnership that works together to support Student Nutrition Programs. We've done this since 1998 and we're proud to see how your local programs have grown. The partners are:

- Toronto Public Health (TPH)
- Toronto District School Board (TDSB)
- Toronto Foundation for Student Success (TFSS)
- Toronto Catholic District School Board (TCDSB)
- Angel Foundation for Learning (AFL)
- FoodShare Toronto
